Guidance notes

The Friends do not have to pay tax on any money that you give to them and the Friends can claim back any tax paid by you on it; provided that, in the relevant tax year, you are paying an amount of income tax or capital gains tax at least equal to the reclaimable tax. 'Tax' includes income tax paid direct and tax deducted at source on your earnings, pensions or savings.

All you have to do is sign the Gift Aid Declaration, which costs you nothing, but increases the value of your gift by 28%.

You can cancel your declaration at any time by notifying the Friends. Please notify the Friends if you change your name or your address or your circumstances change to the extent that you are no longer paying tax.
